NEW CONSTRUCTION IS UNDERWAY IN DESIRABLE LEWIS FARM CONSERVANCY! This beautiful maintenance free custom designed expanded ranch has been thoughtfully planned with today's buyer in mind. Sited on a corner lot in the last phase of this development, the house will be situated to maximize privacy. The covered front porch will welcome you with exposed wood beam details you'll also find throughout the home. In the large open concept living room, cathedral ceilings make the space feel bright and spacious. A gas burning fireplace with custom surround is the focal point of the living room. The kitchen offers a center island with quartz counters, ample cabinets and a generous walk-in pantry. The large master bedroom suite boasts an oversized walk-in closet and a master bath with a beautiful custom tiled shower. A dedicated laundry room allows for space to keep your items tucked away and organized. There are an additional two bedrooms that share a full bath with plenty of space for guests or family. The master bedroom and living room have gorgeous triple windows offering wooded views and allows the patural suplight to spine through particular place.
